- ❖ A professional disc jockey or entertainment service will respect the enjoyment of all guests by playing music at appropriate volumes. When and if an agreeable volume level cannot be reached with the entertainer, the banquet or catering manager will require adjustment of the volume level.
- ❖ For wedding receptions, bridal party introductions will be handled in a professional manner with appropriate musical background.
- ❖ Star Plaza will provide your disc jockey with a skirted table and two chairs.
- ❖ Any additional requests can be arranged through your event manager.

- ❖ All employees of the service will be dressed in a professional manner. For all events, standard attire or formal attire is expected.
- ❖ Any set, backdrop or allocation of space will have prior approval from your event manager.
